## Portwest Clothing Ltd.

### EC Council Directive 89/686/EEC

#### EC Type-examination

Issue 1.

#### PPE Product

- a) Biztex™ ST42, disposable 70cm (wide) x90cm (long) apron manufactured from white laminated micro-porous fabric, with a neck loop & two ties.
- b) Biztex™ ST46, disposable cape hood with elasticated face opening manufactured from white laminated micro-porous fabric with sewn seams, which is available in one nominal size.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards, EN 13034:2005 for the classification Type PB [6] (Limited life, partial body chemical protective clothing offering limited protection against liquid chemicals). In addition the fabric met the requirements in EN 14126:2003 for the classification of Type PB [6]-B (protective clothing against infective agents); the fabric also met the EN 1149-1:1995 requirements for electrostatic dissipative protective clothing on the internal surface.

The manufacturer's information notice (section 5.1 of the technical file), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference Biztex Partial Body, issue 1 rev. 1
